## ABOUT YOGI FOODS

- **Yogi Foods** is one of India's most advanced food processing companies specializing in **Premium Dehydrated Onion, Garlic & Value-Added Vegetable Ingredients**
- With over 15 years of expertise, Yogi Foods combines advanced processing technology with strong sourcing networks to deliver globally competitive dehydrated ingredients.

## THE GLOBAL IMPACT OF YOGI FOODS

### KEY STATS & FACTS

## QUALITY CONTROL & FOOD SAFETY

- At **Yogi Foods**, we prioritize **food safety through stringent quality controls** at every stage of production. Our comprehensive food safety management system focuses on Critical Control Points (CCPs) and Operational Prerequisite Programs (OPRPs) to ensure the highest standards.

### Critical Control Points (CCP)

- **Temperature and Time Monitoring**  
During dehydration, we closely monitor these factors to prevent microbial growth.
- **Final Product Testing**  
Each batch undergoes rigorous testing for quality assurance before leaving the facility.

### Machinery and Technology

- **Metal Detectors**  
High-precision metal detectors from Germany (Sesotec) ensure thorough contamination control.

### Operational Prerequisite Programs (OPRP)

- **Color Sorting Machines**  
Advanced Optical Color Sorting Machines, these advanced machines detect and remove visual impurities, ensuring consistent product quality.

➤ **Sanitation Protocols**

Strict GMP & SSOP protocols followed across all production areas.

➤ **Pest Control Management**

A robust pest control system is in place to prevent contamination.

➤ **Supplier Quality Assurance**

Approved vendor program with full traceability from farm to finished product.

**Quality Control and Monitoring**

➤ **100% Batch Testing**

Every batch tested for microbiological parameters, moisture, foreign matter, and quality specifications before dispatch.

➤ **24/7 Monitoring**

Continuous in-process monitoring ensuring compliance with global food safety standards.

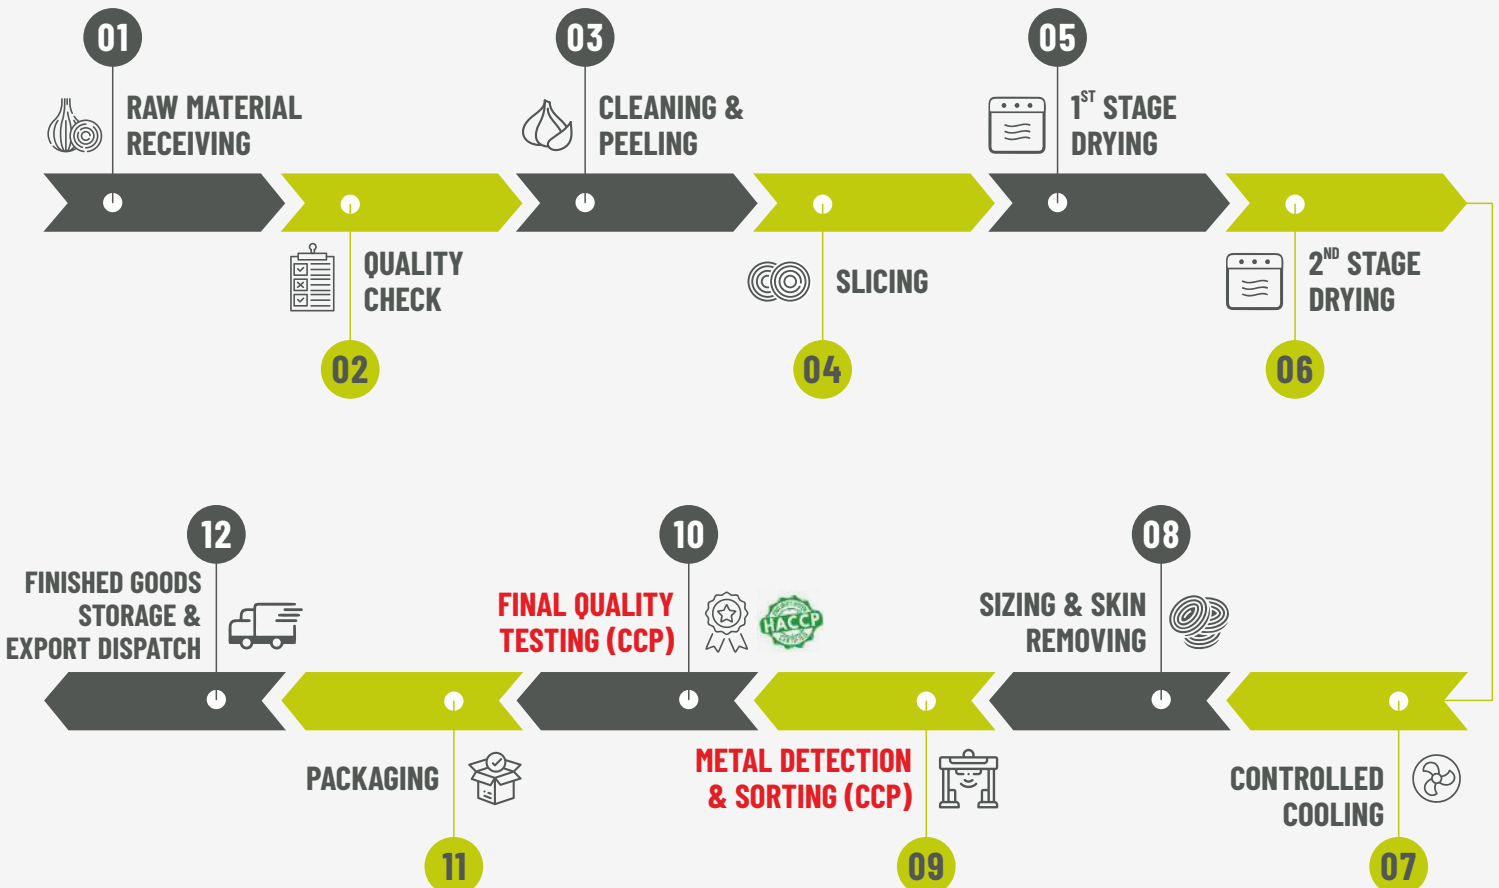

**Workforce**

➤ **Staff**

60+ trained professionals operating under strict quality and hygiene standards.

**Certified under BRCGS, USFDA, Kosher, Halal, APEDA & FSSAI standards.**
